APPLICATIONS

Create a sophisticated yet simple look with these luminous ceiling clouds. Seamless edges and glowing light can span across a variety of sizes to compliment open ceilings. This fixture may also be used as custom signage by printing artwork directly on to the fabric lens. The graphics (typically printed using dye sublimation onto specially-engineered stretch fabric) achieve strong color saturation well-suited to minimize reflected light. Fixtures may be stem, pendant, or surface mounted, and are available in five standard sizes.

FEATURES & BENEFITS

- 5 standard sizes – 9" x 9", 12" x 12", 20" x 20", 24" x 24", 24" x 48"
- Customizable graphics and backgrounds available
- Pendant and surface mount options available
- Many lumen package / wattage options via programmable drivers
- CRI >80 (90 CRI available)
- >50,000 hrs of L70 LED life
- Power factor >0.90

DIMENSIONS

Part	W	L	W _c	L _c
