**APPLICATIONS**

**The Fan**

Make a statement in your space with a number of configurations of our PGN23 (polygon 2"x3") series hanging luminaire system, including The Fan shown here. Whether developing your own custom pattern of L23 fixtures or choosing from multiple standard patterns, the PGN23 series delivers with elegance and distinction.

To achieve this symmetric, radial configuration, The Fan has been engineered with special brackets for popular L23 fixtures. The Fan casts bright, white and energy efficient illumination. Instantly transform the look and feel of your space with these inventive and refreshing fixtures that are suited for applications in need of both up and down lighting as options.

**FEATURES & BENEFITS**

- 3 standard bracket configurations – 3, 5, and 6 fixtures
- Customizable bracket colors available
- Pendant mount for most ceilings
- Many lumen package / wattage options via programmable drivers
- CRI >80 (90 CRI available)
- >50,000 hrs of L70 LED life
- Power factor >0.90

### APPLICATIONS

#### The Triangle

Make a statement in your space with a number of configurations of our PGN23 (polygon 2"x3") series hanging luminaire system, including The Triangle shown here. Whether developing your own custom pattern of L23 fixtures or choosing from multiple standard patterns, the PGN23 series delivers with elegance and distinction.

To design this equilateral triangle configuration, The Triangle has been specifically engineered with special brackets for popular L23 fixtures. The Triangle provides bright, white and energy efficient illumination with uplight and downlight options. Instantly transform the look and feel of your space with these inventive and refreshing fixtures.

### FEATURES & BENEFITS

- 4 standard fixture sizes – 24" , 48" , 72" , and 96"
- Customizable bracket colors available
- Pendant mount for most ceilings
- Many lumen package / wattage options via programmable drivers
- CRI >80 (90 CRI available)
- >50,000 hrs of L70 LED life
- Power factor >0.90

## APPLICATIONS

### The Parallel

Make a statement in your space with a number of configurations of our PGN23 (polygon 2"x3") series hanging luminaire system, including The Parallel configuration shown here. Whether developing your own custom pattern of L23 fixtures or choosing from multiple standard patterns, the PGN23 series delivers with elegance and distinction.

The Parallel fixtures have been engineered with special brackets for linear parallel configurations of popular L23 fixtures. The Parallel provides bright, white and energy efficient illumination with uplight and downlight options. Instantly transform the look and feel of your space with these inventive and refreshing fixtures.

## FEATURES & BENEFITS

- 4 standard fixture lengths – 24" , 48" , 72" , and 96"
- Customizable bracket colors available
- Pendant mount for most ceilings
- Many lumen package / wattage options via programmable drivers
- CRI >80 (90 CRI available)
- >50,000 hrs of L70 LED life
- Power factor >0.90
