APPLICATIONS

Simplicity in a unique form brings us Mobern's Oculus Pendant. Seemingly named for its "eye-shaped" silhouette, this acoustic fixture adds a contemporary flair to your space while maintaining a balanced lighting atmosphere. PET acoustic materials provide sound-absorbing technology to lull the vibrations of a noisy environment. The Oculus pendant is available in 3 sizes ranging from 19" to 34" long, making it a great option for both small and large spaces. While stylish on its own, multiple fixtures can also be arranged, or mounted together, in customizable patterns for a more designed look. 30+ standard color options allow for further customization to enhance the aesthetic of office spaces, schools, restaurants, or anywhere where sound reduction and beautiful design is desired.

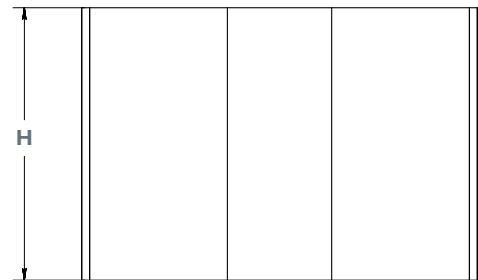

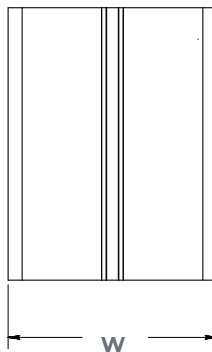

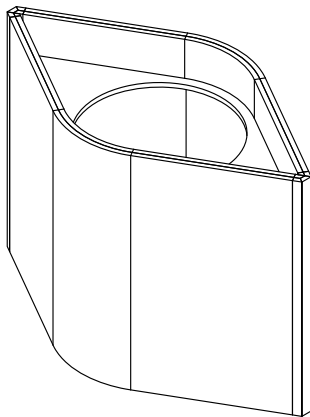

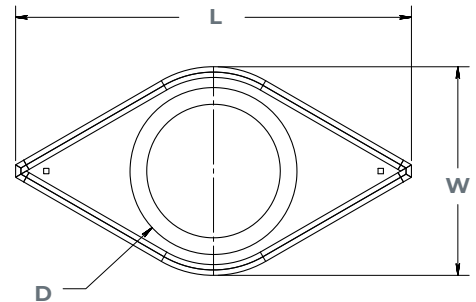

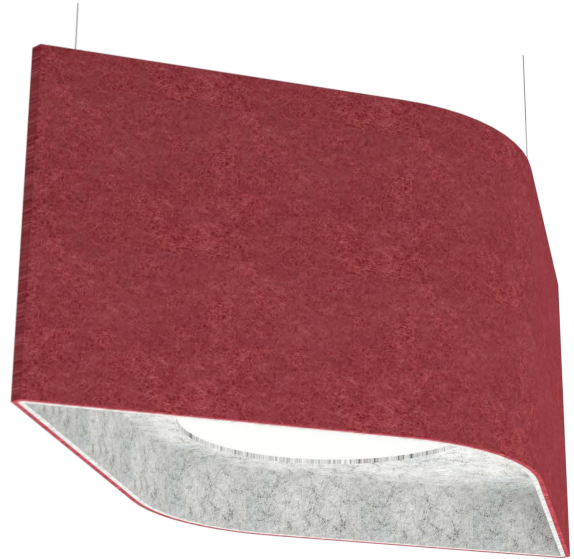

FEATURES & BENEFITS

- 3 sizes – small, medium, and large
- 30+ acoustic baffle color options available
- 6' pendant mount hanging kit accommodates most ceiling types
- CRI > 80
- >50,000 hrs of L70 LED life
- Rated for dry and damp locations
- 0-10 Volt dimmable 120-277V (120V ELV/TRIAC avail)
- Power factor >0.90
- 5 year warranty
